FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §133.2 defines terms used in the medical billing and processing chapter.
3. 28 Texas Administrative Code §133.240 sets out the procedure for medical bill processing by the workers' compensation insurance carrier.
4. 28 Texas Administrative Code §134.204 sets out the fee guidelines for division-specific services from March 1, 2008 until September 1, 2016.
5. Texas Labor Code §408.027 sets out provisions related to payment of health care providers.
6. The submitted documentation does not include explanations of benefits.

Issues

1. Did AAA Cooper Transportation respond to the medical fee dispute?
2. Did AAA Cooper Transportation reduce or deny the disputed services not later than the 45th day after receiving the medical bill?
3. Is Cynthia Gans, D.C. entitled to reimbursement for the disputed services?

Findings

1. The Austin carrier representative for AAA Cooper Transportation is Flahive, Ogden & Latson. Flahive, Ogden & Latson acknowledged receipt of the copy of this medical fee dispute on January 23, 2017.

28 Texas Administrative Code §133.307 states, in relevant part:

- (d) Responses. Responses to a request for MFDR shall be legible and submitted to the division and to the requestor in the form and manner prescribed by the division.
- (1) Timeliness. The response will be deemed timely if received by the division via mail service, personal delivery, or facsimile **within 14 calendar days after the date the respondent received the copy of the requestor's dispute** [emphasis added]. If the division does not receive the response information within 14 calendar days of the dispute notification, then the division may base its decision on the available information.

Review of the documentation finds that no response has been received on behalf of AAA Cooper Transportation from Flahive, Ogden & Latson to date. The division concludes that AAA Cooper Transportation failed to respond within the timeframe required by §133.307(d)(1). For that reason the division will base its decision on the information available.

2. In her position statement, Dr. Gans contends that “The carrier did not timely reimburse on the first receipt of this claim. The carrier failed to timely reimburse following receipt of the Request of Reconsideration for this claim.” According to Texas Labor Code Sec. 408.027(b), AAA Cooper Transportation was required to pay, reduce, or deny the disputed services not later than the 45th day after it received the medical bill from Dr. Gans. Corresponding 28 Texas Administrative Code §133.240(a) also required AAA Cooper Transportation to take **final action** by issuing an explanation of benefits not later than the statutorily-required 45th day. 28 Texas Administrative Code §133.2(6) defines final action as follows:

- (6) Final action on a medical bill—
 - (A) sending a payment that makes the total reimbursement for that bill a fair and reasonable reimbursement in accordance with §134.1 of this title (relating to Medical Reimbursement); and/or
 - (B) denying a charge on the medical bill.

Dr. Gans provided a fax confirmation page indicating that North American Risk Services, agent of AAA Cooper Transport, received the medical bill on or about September 13, 2016. AAA Cooper Transport was, therefore, not relieved of its requirement to pay, reduce, or deny the disputed services not later than the 45th day after it received the medical bill from Dr. Gans, in accordance with Texas Labor Code Sec. 408.027(b). When the insurance carrier receives a medical bill, it is obligated to take the following actions pursuant to 28 Texas Administrative Code §133.240:

- (a) An insurance carrier **shall take final action** [emphasis added] after conducting bill review on a complete medical bill...**not later than the 45th day** [emphasis added] after the insurance carrier received a complete medical bill...
- (e) The insurance carrier **shall send the explanation of benefits** [emphasis added] in accordance with the elements required by §133.500 and §133.501 of this title...The explanation of benefits shall be sent to:
 - (1) the health care provider when the insurance carrier makes payment or denies payment on a medical bill...

All workers compensation insurance carriers are expected to fulfill their duty to take final action as required by the division’s statutes and adopted administrative rules. The division finds that:

- no evidence was presented to the division to support that AAA Cooper Transport took final action by paying, reducing, or denying the services in dispute within 45 days; and
- no evidence was presented to the division to support that AAA Cooper Transport timely presented **any** defenses to Dr. Gans on an explanation of benefits as required under 28 Texas Administrative Code §133.240 prior to the request for medical fee dispute resolution.

Absent any evidence that AAA Cooper Transport raised defenses that conform to the requirements of Title 28, Part 2, Chapter 133, Subchapter C, the division concludes that the services in question are eligible for review for reimbursement in accordance with applicable rules and guidelines.

3. Dr. Gans is seeking reimbursement of \$500.00 for a designated doctor examination to determine the extent of the compensable injury.

Per 28 Texas Administrative Code §134.204(k),

The following shall apply to Return to Work (RTW) and/or Evaluation of Medical Care (EMC) Examinations. When conducting a Division or insurance carrier requested RTW/EMC examination, the examining doctor shall bill and be reimbursed using CPT Code 99456 with modifier 'RE.' In either instance of whether MMI/IR is performed or not, the reimbursement shall be \$500 in accordance with subsection (i) of this section and shall include Division-required reports. Testing that is required shall be billed using the appropriate CPT codes and reimbursed in addition to the examination fee.

The submitted documentation indicates that Dr. Gans performed an examination to determine extent of the compensable injury. Therefore, the reimbursement for this examination is \$500.00. This amount is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$500.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Sec. 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services in dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of \$500.00, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
